VI. ☐ ORGANIZATION:

A. ☐ The overall direction of the review will be the responsibility of the Executive Review Board, which will be co-chaired by the Principal Deputy Under Secretary of Defense (R&E) and the Assistant Secretary of Defense (ISP), and composed of senior representatives of the following organizations: JCS; DUSD(P); DUSD(C3I); DUSD(S&TNF); Department of the Army; Department of the Navy; Department of the Air Force; Defense Intelligence Agency; National Security Agency; Defense Nuclear Agency; Defense Communications Agency; and Office of the Director, PA&E. Other senior representatives may participate as members or observers with the approval of the Chairmen of the Executive Review Board.

☐ The Executive Review Board shall:

1. ☐ Have the authority, through its respective members, to speak for and make recommendations for the represented Services/agencies. (Coordination of recommended actions will be effected through normal channels.)
2. ☐ Provide top-level guidance for the development of the Master Plan, including content.
3. ☐ Determine delegation of specific areas of the review to appropriate agencies.
4. ☐ Resolve impediments to the Master Plan development arising from interagency differences/issues.
5. ☐ Monitor progress of the Master Plan and arrange for approval of the final report by concerned Services/agencies.
6. ☐ Effect coordination with external agencies as appropriate.
7. ☐ Monitor the status of implementation of actions initiated as a result of the Master Plan.

B. ☐ Day-to-day conduct of the review will be the responsibility of a Steering Group which will report to the Executive Review Board. The Steering Group will be co-chaired by representatives of the USD(P) and USD(R&E) and composed of representatives of the JCS, Services, the ASD(ISP) and the DUSD (S&TNF). Other representatives may participate as members or observers with the approval of the Chairmen of the Steering Group. The OJCS(C3S) and the JCS will be represented by observers. The Steering Group will ensure that consistency of effort is achieved among the Working Groups.

C. ☐ Reporting to, and under the direction of the Steering Group, will be four Working Groups, the composition of which will be determined by their respective chairmen (the Services and OJCS will be represented on all Working Groups). These groups are: (a) the Policy Working Group, chaired by a

attended as observers.)*

the form of a series of investment alternatives, including cost, survivability, requirement satisfaction and risk. The results will be documented as an issue paper.

ORGANIZATION: The Deputy Secretary of Defense in concert with the Deputy Director of Central Intelligence will co-sponsor this review, and co-chair a Subcommittee with a membership composed of Service Secretaries, the Under Secretaries of Defense and the Chairman of the Joint Chiefs.

A senior Review Group will be responsible for the implementation of the review. This review group will be co-chaired by the Director, Defense Advanced Research Projects Agency and the Director, Intelligence Community Staff. Other members will include the Deputy Under Secretaries of Defense for C³I, Policy, and Strategic and Theater Nuclear Forces; Director, Program Analysis and Evaluation, OSD; Directors, DCA, DIA, DNA, NRO, and NSA; a representative of CIA; representative of the Chairman, Joint Chiefs of Staff; Air Force DCS RD&A; and the Service intelligence chiefs.

The Senior Review Group will organize a Working Group under the Chairmanship of the Assistant Deputy Under Secretary of Defense for Intelligence. The Working Group will provide overall management of the review, assigning tasks and milestones, and formulating proposed final recommendations. The Working Group will report periodically to the Senior Review Group on status and on any unresolved problems and will receive further guidance therefrom.
